

Suggested language for introduction of Governor Musgrove:

In times such as these, our leaders face many difficult decisions, such as how best to provide for public safety and security; setting priorities that focus on enhancing education for all Mississippians; providing for quality and affordable health care for all our people; and in the face of these challenges, working hard – and often long – hours talking to world leaders about the benefits of locating their businesses in Mississippi, providing economic opportunity and growth.

He recognizes your hard work and truly appreciates that it is work worth doing, and demonstrates that support by working just as hard himself.

It has been said that “the ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy.”

This is the leadership quality I have seen in the man we know as governor of the state of Mississippi. It is a privilege and an honor for me to introduce our leader and the governor of the great state of Mississippi, the Honorable Ronnie Musgrove.
